

You're in Good Company

You can often determine the quality of a company by its customers. Targeted Job Fairs' client list speaks for itself.

For more than 12 years, Targeted Job Fairs has helped HR managers and IT recruiters source hard-to-find technology, engineering and security-cleared candidates at career fairs throughout the United States. Many well-known companies rely on Targeted Job Fairs to attract and hire highly-qualified professionals with unique skills.

- **Cost Effective** — More than 95% of our customers realize cost savings from Targeted Job Fairs versus other hiring methods.
- **Successful** — More than 85% of our customers are satisfied or highly satisfied after taking part in a Targeted Job Fairs event.
- **Worthwhile** — More than 85% of our customers have participated in a previous Targeted Job Fairs event.
