

- Antennae & Microwave Engineers
- Anti-Tamper Engineers
- Artificial Intelligence Engineers
- Continuous Improvement / Lean Specialist
- Contracts Manager
- Cyber Security Engineers
- Design Drafting/Checkers
- Digital Signal Processing
- Electrical Engineer – Electron Beam Photolithography
- Electronic Protection/Electronic Warfare Engineers
- Hardware Quality Engineer
- HVAC Mechanic
- Industrial Engineer
- Industrial Security Manager - Woburn, MA
- Information Assurance Cyber Specialist (ISSO)
- Information Technology Program Lead - Mission Systems and Sensors
- Interconnect/Wiring, Cable, Assembly Engineers
- IT Data Scientist - Advanced Analytics Solutions
- IT Service Excellence and Product Line Services Manager
- Layout Support Engineer – RF Components Foundary Services
- Linux and Windows Systems Administrators - Secret Clearance Required
- Logistics Specialists
- Machine Learning Engineers
- Manager - Program Cost Scheduling & Control
- Manufacturing Engineers
- Materials Engineers
- Operations Analysis Engineers
- Operations Lean Leader
- Plan Production Control Specialist
- Power Systems/Electronics Engineers
- Principal Operations Engineer
- Principal QA Engineer
- Principal Supply Chain Program Manager
- Principal Financial Analyst
- Quality Compliance Auditor
- Radar Engineers
- Regional Supplier Quality Manager
- Senior / Principal Electrical Engineer – Wafer Fabrication
- Senior Device Modeling Engineer – III-V Semiconductors / GaAs and GaN
- Senior IT Systems Administrator
- Senior Principal Manufacturing Engineer
- Senior Principal Subcontract Specialist
- Senior Principal Systems Assurance Engineer
- Senior Process Engineer – Plasma Etch
- Senior Process Yield Engineer – Microelectronics / Semiconductor
- Senior Program Planner
- Senior Tech Support Engineer – Electron Beam Lithography
- Senior Technical Planner
- Site Security Specialist
- Software Engineers
- Sonar Systems Engineers
- Sr Cyber Technologist, ISSM
- Sr. Supply Chain Pricing & Estimating Analyst
- Subcontract Manager
- Systems Design Engineers
- Systems Safety Engineers
- Systems Test Engineers
- Technical Support Engineer – Microelectronics Wafer Fabrication
