"The event went well and Adam was very helpful. Glad we had him there to assist. Approximately 200 attended and we will be following up with 103 candidates, which is excellent. We have been very happy with the results of our DICE events."

*Best Regards,
Ball Aerospace*

"I am hearing nothing but great things about today. Yesterday we had 49 invites to our RMS invitation only event in Sept., which is outstanding. Who knows what today will bring in addition.

I got an e-mail from my IT groups and they too were VERY successful yesterday. They found qualified talent with current clearances and they were open to moving to Tucson. I have no doubt they will have others from today's event."

*THANK YOU!
Raytheon*

"The great thing about your events is that you take away all of the stuff that I don't have the time to do, namely, the logistics. Also, I would never have had the budget to run the advertising and promotions that Dice runs without having contracted Dice to produce our open house. We will be using you again".
